

# Community Business Advocate

## WHAT DOES YOUR CHAMBER SUPPORT DO?

Your dollars increase marketing efforts to bring more visitors to St. Helena, increasing sales tax and transient occupancy tax (TOT) pumped into the City of St. Helena.

A community that supports it's commerce thrives. Community Business Advocates show local businesses they want to invest in their success for a better St. Helena.

To keep hotels full and businesses busy, St. Helena needs to attract visitors. Your contribution keeps St. Helena competitive against other Napa Valley destinations.
